Next hearing: 9-3-2021 **Type of hearing:** Permanency hearing **Other court dates:**

SECTION F: CHILD WELL-BEING & Permanency Status

Child: Jacqueline Rivas	Age: 15	Is the child in an intended permanent placement? Mark "x" next to yes or no. Yes: No: X
Needs/Concerns (include educational, medical, mental health, behavioral, therapeutic, developmental, dental, vision, hearing needs, etc.) As reported by CVS CW (Amy Obot): <u>She is currently AWOL, as of yesterday; she ran from a temporary placement that she was in; She ran away from CWOP</u> <u>While she was at CWOP, she was being picky about what she wanted to eat; she was refusing food while she was there</u> <u>She was sleeping well while she was at CWOP</u> <u>During this meeting CW rec'd a call from Social Worker reporting that Jackie was with some men that may or possibly have been [REDACTED] well; Jackie is talking to police now; & she is currently in Children's Medical Center in Dallas & CW will be notified if Jackie consented to having a SANE exam done or not</u> [REDACTED] <u>She is in 8th grade; however, she has missed a lot of school; especially this semester; she was admitted into a psychiatric hospital first part of her school semester (when she was in her last placement)</u> <u>She has previously expressed that she likes to go to school; however, she has not been engaging in her schooling; she had gotten suspended 2 weeks ago due to her walking off school campus; she had to be restrained by school police; she did go back to school & then after that incident she was placed in a temporary placement; she was only there in that temporary placement for only 1-1/2 weeks</u> <u>She was going to school in person & virtually after her last psychiatric stay</u> <u>CW states that she knows what she wants as far as placement & she knows that she wants a family but she is not being patient enough for the Agency to find her a placement</u> <u>She has extensive history of being in & out of alot of Psych Hospitals</u> <u>She has had multiple hospitalizations since the last CPS Conference, we had a year ago</u> <u>She has history of self-harming; she has tendency of swallowing /ingesting objects & chemical liquids that can be harmful to her digestive tract/her body. At one point, she had [REDACTED]</u> [REDACTED] <u>she went back to her placement afterwards & was fine for a while & then that is when it was reported that she had [REDACTED]</u> <u>was discharged & released back to her placement & then she [REDACTED] there have been multiple incidents back & forth. It was previously reported that she has also swallowed a [REDACTED]</u> <u>She previously tested positive for COVID-19 (she was asymptomatic), she is reported to be doing fine now & has recovered</u>		

Services received or needed (ARD, ECI, therapy, medical/dental, vision, hearing, extra-curricular, medications to address identified needs; include progress/barriers):

She is physically healthy

Her last medical exam: 7-20-2020

Her last vision exam: 8-6-2020

Her last dental exam: 2-4-2021

Her last Psychological eval: 9-25-2020

She is diagnosed with PTSD, ODD, child physical abuse (confirmed), child sexual abuse (confirmed), child neglect (confirmed), Academic or Educational Problem (Recommendations given: include continued Trauma-Focused cognitive behavioral therapy); persistent depressive disorder

She is on the following Meds: Abbuterol (as needed for panic attacks); Xulane birth control patch; Lithium 300mg; Latuda 80mg; Prazosin 2mg; 1000mg Keppra; Visprail 25mg; Benadryl (as needed)

Connections (Identify individuals who are important to the child and what type of contact is allowed):

CW, CASA, Atty Ad-Litem, & Facility Manager

If child not in an intended permanent placement: Have all placement resources been explored? (Relative search, symbolic/fictive kin relatives, absent parents, home study/ICPC)

CPS will continue to seek a permanent placement for Jackie

SECTION G: FAMILY SERVICE PLAN

Family's progress (Identify the parents' protective capacities. How are the tasks/services addressing safety threats? What is CPS doing to assist the family with the plan?)

N/A – Parental rights have been terminated

Barriers to achieving family reunification (Current safety threats that prevent the child(ren) from returning home safely)

N/A – Parental rights have been terminated

Are there any tasks/services or court orders on the service plan that need to be modified? (Mark "x" next to yes or no)

Yes **No X**

If yes, please describe:

Standing Court Orders:

Currently there is a standing court order of "no contact between Jackie & her siblings" until Therapist recommends contact with her siblings.

Judge has ordered that Agency search for a Child specific contract with HCS home, out of state placement and that Agency contact El Salvador Consulate all in order to locate a placement effort for Jackie.

Ad-Item has to agree with the placement as well, per the court order

Frequency and quality of family visits (including parent/child, sibling contact, contact with extended relatives, etc.):

N/A – Parental rights have been terminated

Family resources to address identified needs/concerns:

N/A – Parental rights have been terminated

SECTION H: LEGAL PERMANENCY BARRIERS

Barriers to achieving a permanent placement which will result in positive legal permanency for each child: (Identify all barriers to achieving a permanent home that will result in positive legal permanency. Positive legal permanency is achieved either through reunification, adoption, or transferring permanent managing conservatorship from DFPS to a relative or suitable individual)
